Finalize

Directions

Select the type of question you wish to ask. You will have the opportunity to enter the text to your question and the text to your answers. *The choice is yours™.*

Organize your lesson

Step 3. Organize your lesson

The screenshot shows a software interface for organizing a lesson. At the top, it says "Step 3. Organize your lesson". Below this is a large grid of 25 empty square slots, arranged in 5 rows and 5 columns. To the left of the grid is a vertical button labeled "Finalize". Below the grid is a horizontal toolbar with five icons and their corresponding labels: a plus sign for "add more", a lowercase letter 'a' for "add text", a circle with a dot for "duplicate", an 'x' for "delete", and two arrows for "shuffle". At the bottom of the interface are two circular navigation buttons, one with a left arrow and one with a right arrow.

Directions

Just move your questions, answers, content, video, pictures, games and simulations around – in the order you want them. Even add more if you like. *The choice is yours™.*
