CORE BELIEFS

- I believe that the difficult should be made easy.
- I believe in building communities of success: Successful leaders (students) build successful teams, and successful teams build successful companies.

TOP SKILLS AND ABILITIES

- Able to explain difficult concepts in an easy to understand fashion.
- Able to motivate and bring out the best in student and teams.

STUDENT COMMENTS

- “Very organized. Knows his subject and loves it.” *Lee A.*
- “Excellent instructor. I will try my best to enroll in more classes taught by Patrick.” *Gill Q.*
- “I really enjoyed it, I’ve never had this kind of course before. It made me think more about business as an owner, instead of just as an employee.” *Franck C.*
